Every year, it's the kids from my Odyssey of the Mind teams winning the speech contests at school and taking on leadership roles. They are confident and proud!  
~ Amanda J. Dove, OotM Coach

"Odyssey connects our family, it enriched our school and community, it creates an incredible support system and helps our Oomers find the best in themselves. I don't think there's a community out there that wouldn't benefit from having Odyssey."  
~ Bobbie Brooks Steinhauer, OotM Parent

"Odyssey of the Mind is the one true creative problem-solving program that teaches its participants new ways of looking at the world, new approaches towards solving the problems that confront us in our daily lives, as well as the big picture problems we face in society."
