

ARE YOU KIND?

Visit the *Odyssey Angels!*

Odyssey Angels groups use creativity to help communities all over the world. Angel by Angel, they are making the world a better place and life more enriched for others in need. One creative group was selected to receive an award and present its project at World Finals. See what this year's group did to help its community at the Creativity Festival! The winning group will give presentations and host an activity at the Odyssey Angels booth at the festival.
