

Prop Info-Tips for successful shipping!

Tip #1

This crate shows proper forklift end accessibility. Image below of properly constructed crate w/ forklift accessibility... **Use screws, nails or bolts, not staples!!**

Tip #1

Tip #2

What **NOT**
to do...

Photo #1 Crate great
EXCEPT it was built
over specified
dimensions

Photo # 2

Crate great EXCEPT no fork abilities at the end of the pallet. Crate must have forklift access on all sides to remove from trailer

Photo #3

No forklift access on ends for removal from trailer

****Reminder****

ISU Central Receiving has a full access loading dock with forklift to unload large props. No lift gate or special delivery instructions are required. Our shipping hours are 8:00AM – 3:00PM M-F.
